Mr. Richardson,

My name is William Seo. I received a traffic ticket sometime in late June and was instructed to attend the TVIP class. I just got home from the session and I have to tell you something-- from the bottom of my heart, thank you. The host Dan Lorenzo(?) and videos really made an impact on me. Usually, I would not go out of my way to say thank you for having to attend a court mandated class; however, this one is special. I pray that you keep up the hard work and effort you're putting into this program because I know that if it can help open my eyes and give me a different perspective of driving, it can do the same for other teens. Once again, thank you VERY much. God bless.

Sincerely,

William Seo
