Dear Mr. Richardson,

I would like to take this opportunity to thank you for the "Car Crashes" assembly you held for our students. The faculty and students were deeply touched by the presentation and I feel made a positive impact on the students and adults.

We had a few students who felt compelled to talk to a counselor after the presentation and they were reassured that this was presented to help us all make wiser choices.

Thank you again for providing such a valuable service.

Sincerely,

Tracy Sanford
