Dear Bill,

On behalf of Living Water Baptist Church, we would like to thank you for your presentation at our youth group meeting on Wednesday February 2, 2005. The presentation attracted a number of youth from the community, including 3 local churches and 3 local high schools.

I asked the group to complete evaluations, and we received positive ratings of the seminar. In response to a question about what they liked best about the seminar, participants wrote comments such as "Although I have been driving for 15 years Mr. Richardson really made me stop and think about my poor driving habits." The most common response from our youth was it was great to be able to ask an expert traffic laws and get an honest answer.

Thank you again for taking time out of your busy schedule to share your expertise at Living Water Baptist Church Youth Group. I fully recognize that we would not receive such positive feedback from our youth without the excellent presentation and stimulating discussions provided by a talented individuals, like you. God has truly blessed you with a calling and I wish you continued success in future endeavors.

Best regards,
